# CARL STARKER GARDENS

ROCK PLANTS AND IRIS

JENNINGS LODGE, OREGON

FOR THE 1935 season we are issuing a supplement which is intended for use with our last season's 32 page catalogue. If you have mislaid your copy of the catalogue, we will be glad to send you another if you will ask us for it.

It is our pleasure to be always in search of new or worthy plant material. To those persons who may be interested in the scented garden we offer some very interesting new aromatic and sweet smelling plants. Please see our regular catalogue for extensive lists of Thymes, Micromerias, Teucriums, etc.

We would call especial attention to *Campanula Poscharkskyana*. This is one of the outstanding new plants of recent introduction and bears our heartiest recommendation.

Our collection of alliums is receiving some fine additions. While not all sorts are extremely showy, yet they do have a great deal of charm and are delightful subjects here and there in the rock garden. They should be better known.

We have again imported a fine lot of irises from Europe under Government permit. These are not yet released for sale, but visitors are invited to observe them in our garden.

We send our kindly greetings to friends old and new. May the coming garden season bring you much joy, for the spring flowers will display their usual optimism and the irises will declare their usual dividends regardless of inflated markets and controlled production.

Please read carefully the introduction in our regular catalogue regarding stock, terms, postage, etc.

## ROCK PLANTS AND ALPINES

Prices of all plants except where noted 25c

**ACAENA** Buchanani. Dwarf trailer with gray green foliage.

**ACHILLEA**. Suitable for poor dry soils.

**Nana**. Prostrate with white flowers. Excellent for stepping stones.  
Blooms in mid-summer.

**Nitida**. Flowers white. 8 in.

**ALLIUM**. Many of these showy flowering onions are new varieties raised from seed obtained from botanic gardens which have not yet bloomed for us and of which descriptions are not yet available.

**Angulosum, Globosum, Karatavense, Moschatum, Senescens** are now ready.

The following new varieties of Alliums will be ready for fall planting:

**Albo-pilosum, Beesiana, Bulgaricum, Darwasicum, Galanthum, Giganteum, Macranthum, Neapolitanum, Ostrowskyanum, Rosenbachianum, Schuberti, Sikkimensis, Stellulatum, Strictum, Victoriae, Wallichianum, Yunnanense**. Prices of these alliums upon application.

**ALYSSUM** Condensatum. Hoary foliage and light yellow flowers. 6 in.

**ANDROSACE**.

**Sempervivoides**. Beautiful smooth rosettes of bright green leaves with rosy flowers on 4 in. stems. 50c.

**Spinulifera**. Densely hairy rosettes with carmine rose flowers on 6 in. stems. 50c.

**Watkinsi**. Tight silky rosettes with pink flowers. 50c.

**AQUILEGIA**.

**Chrysantha**. Fine yellow long spurred columbine from the Rocky Mountains. 2 ft.

**Vervaeneana**. Golden yellow variegated foliage and blue flowers.

**ARMERIA**.

**Caespitosa**. Tight cushions of foliage 2 in. high. Flowers rose pink. A rare gem. 50c.

**Caespitosa Hybrids**. Free flowering hybrids slightly larger than the type. White to deep pink. 35c.

**Setacea**. Light rose pink flowers. 3 in. 35c.

**ARNICA** Montana. Rosettes of hairy leaves and large yellow daisies.

**ASTER**.

**Alpinus Dark Beauty**. A fine purple form of Alpinus.

**Alpinus Dolomiticus**.

**Alpinus species**. Wallowa Mountains. Fine Eastern Oregon species.

**New dwarf hybrids**. Wonderful new race of asters like dwarf Michaelmas daisies. Less than 1 ft. tall. Profuse bloomers. Choice and lovely. The colors vary from pink to deep lavender. We have the following named varieties at 50c each. Nancy, Ronald, Victor. Other varieties for fall delivery.

**Pleiades**. Yvette Richardson. Lavender blue. 8 in. 35c.

**CAMPANULA.**

**Fragilis.** A fine trailer with wide open bells of soft blue. 35c.

**Lasiocarpa.** Fine neat rosettes of shiny toothed leaves with upright powder blue flowers on 3 in. stems. Very choice. 50c.

**Poscharkskyana.** The finest of the dwarf campanulas. Handsome foliage and quantities of soft blue flowers borne on long trailing stems. We consider this the finest of the recent introductions. Blooms from May to October. 50c.

**CORYDALIS.**

**Bulbosa.** A bulbous form with finely cut foliage and orchid flowers in early spring... Plant in late summer or fall when dormant.

**Sempervirens.** Pink flowers and glaucous ferny foliage which becomes quite colorful in the fall.

**EPIMEDIUM.** Attractive evergreen plants with shiny bronzy leaves and dainty flowers in loose spikes. Blooms early. Prefers part shade.

**Macranthum Roseum.** Rosy pink flowers. 50c.

**Sulphureum.** Pale yellow flowers. 50c.

**Violaceum.** Dainty lavender flowers. 50c.

**ERODIUM Cheilanthesfolium.** Lacy gray foliage and large blush white flowers with deeper veins. 75c.

**GENTIANA.**

**Asclepiadea.** Willow Gentian. Fine arching stems with lovely deep blue trumpets borne in great profusion. A very lovely late bloomer of easiest culture in partial shade. 75c.

**Acaulis Gigantea.** A magnificent new form of this lovely gentian with much larger flowers, some of which measure as much as 4½ in. across the trumpet. Blooms in spring and often again in fall. New and very choice and rare. \$1.50.

**GERANIUM.**

**Cinereum.** A dwarf species with grayish foliage and light pink flowers. 50c.

**Farreri.** A very choice dwarf geranium with lovely large light pink flowers with black stamens. \$1.00.

**HELENIUM Autumnale Minor.** Fine mixed shades of yellow, terra-cotta and bronze daisies freely produced in autumn. New. 2 ft. 35c.

**IBERIS Saxatalis.** A lovely prostrate Candytuft with fleshy leaves and white blossoms. Persistent bloomer. Choice and rare. 50c.

**KNIPHOFIA.** Dwarf Red Hot Pokers. Late blooming and dwarf enough for the rockery.

**Mirabilis.** Choice hybrids from yellow to deep orange.

**Rufa.** Primrose yellow tinged with red. 1½ ft.

**Tuckii.** Yellow tinged bright red. 1½ ft.

**LINUM Perenne Album.** A fine white flax.

**LOTUS Corniculatus Flore Plena.** Babies Slippers. A hardy trailer for covering dry banks and rock work, blooming all summer and autumn. Fine bulb cover with showy double yellow flowers.

**ONOSMA Stellulatum.** Similar to *O. Tauricum*, but paler. 35c.

**ORIGANUM.** Marjoram. Aromatic bushlings with dainty clusters of bloom.

**Pulchellum.** Grayish foliage and rose colored flowers.

**Virens.** Paler than the above.

**OXALIS Bowiei.** Large leaves and bright red flowers. Blooms in spring and fall.

**PHLOX Subulata.**

**Newry Seedling.** Good blue. New. 35c.

**Sprite.** Unusually large pink flowers with red eyes. Very good.

**POTENTILLA.**

**Gracilis Rigidus.** Golden flowers on 6 in. stems.

**Miss Wilmott.** Beautiful and very free flowering. Flowers rosy pink.

**Multifida.** Ferny leaves. Yellow flowers on 5-6 in. stems.

**Nana Multiflora Semi-plena.** Dwarf variety with fine double flowers.

**PRIMULA.**

**Capitata Mooreana.** Stalwart white powdered stems with rounded heads of Tyrian violet flowers from August onward. A first class treasure for cool and well drained positions. 35c.

**Florindae.** A fine variety with sweet scented butter yellow flowers. 35c.

**Acaulis Double Yellow.** Fine sulphur yellow. New and choice. 50c.

**SCUTELLARIARIA Indica Japonica.** Attractive velvety gray foliage and lavender blue flowers through late summer and fall.

**SEDUM Purdyi.** Flat rosettes of leaves resembling *Sempervivums*. Choice and different. 35c.

**SEMPERVIVUM.** Hen and Chickens.

**Acuminatum.** Large glaucous rosettes. 50c.

**Alberti.** Tiny green rosettes with pointed leaves.

**Atlanticum.** Pale green rosettes 2 to 3 in. in diameter.

**Atroviolaceum.** Fine large dark purple rosettes. Striking. 75c.

**Australicum.** Small rosettes with bronzy tips.

**Calcareum.** Large glaucous blue-green rosettes with purple tips. 35c.

**Cinerescens.** Grayish webbed rosettes. 35c.

**Dolomiticum.** Small green rosettes with purple tips. 35c.

**Fimbriatum.** Small gray downy rosettes.

**Fauconette.** Small rosettes hairy at tips.

**Havana.** Dense rosettes of dark green leaves with purple edges.

**Hirtum.** Wide open rosettes of emerald green leaves and clear yellow blossoms.

**Huteri.** Choice hybrid with tight rosettes.

**Kochii.** Deep bronze rosettes. Very vivid in winter.

**Mittemianum.** Medium gray green rosettes tipped red. Choice. 50c.

**Pallidum.** Large bright green rosettes tipped bronze.

**Purdy 60-1.** Large reddish purple rosettes vividly colored in winter. 50c.

**Purdy 80-1.** Four inch rosette. Deep green with dark red base and tips. Handsome. 50c.

**STACHYS** *Corsica*. Fine carpeting plant with light green leaves and white lobelia-like flowers.

**TEUCRIUM** *Campanulatum*. Aromatic low-growing plant with finely cut gray foliage and white flowers.

**THYMUS** *Marschallianus*. Very fine with lovely pink flowers. 35c.

**VIOLA**. Double sweet violets.

*Marie Louise*. Blue.

*Swanley White*. White. Choice.

## SHRUBS

**BRUCKENTHALIA** *Spiculifolia*. Small heath-like plant with pink flowers in June. 6-8 in. 50c and \$1.00.

**CHIOGENES** *Hispidula*. Creeping Snowberry. Trailing evergreen with showy white berries. 35c.

**DALIBARDA** *Repens*. Dainty creeper with violet-like leaves and single white flowers. Requires shade. 35c.

**EUONYMOUS** *Kewensis*. Dwarf trailing evergreen with red berries. 50c.

**GAULTHERIA** *Procumbens*. Wintergreen. Evergreen carpeter with attractive glossy foliage and white flowers followed by red berries. 35 - 50c.

**GENISTA**.

*Hirsuta Decumbens*. Very prostrate broom with trailing stems and masses of bright yellow flowers. Very choice. 50c.

*Tinctoria*. Golden yellow flowers. Erect habit. 2 feet. 50c.

**HEDERA** *Conglomerata*. An attractive slow growing ivy with crowded leaves. 50c.

**LAVANDULA**.

*Atropurpurea Nana*. Silver gray foliage and intensely purple flowers. 10 in. 35c.

*Piedimontana*. Aromatic lavender with deep purple blossoms.

**LITHOSPERMUM** *Prostratum*. Heavenly Blue. A fine prostrate evergreen shrub with glorious azure flowers. 50c.

**ROSA** *Spithamea*. Choice dwarf rose with attractive pink flowers. 8 in. 50c.

## FERNS

**DENNSTEDTIA** *Punctilobula*. Hay-scented Fern. Dense mats of fragrant fronds. 1 ft.

**DRYOPTERIS**.

*Clintoniana*. Clinton's Woodfern. Fine evergreen woodfern. 3 ft. 35c.

*Cristata*. Crested Woodfern. Beautiful dark green fronds. 2 - 3 ft. 35c.

*Noveboracensis*. New York Fern. Pale green leaves tapering both ways from the middle. 1 - 2 ft.

**ONOCLEA** *Sensibilis*. Large broad triangular leaves. Very hardy and easy.

**OSMUNDA.**

**Cinnamomea.** Cinnamon Fern. Showy large fern with 2 - 4 ft. fronds.  
 Young growth covered with rusty wool. Very attractive. 35 - 50c.  
**Claytoniana.** Interrupted Fern. Similar to the above, but young growth clothed in white wool. Imposing. 35 - 50c.  
**Regalis.** Royal Fern. Handsome wide branching fronds of pale green. A very beautiful fern. 3 ft. 35 - 50c.

**POLYSTICHUM.**

**Acrostichoides.** Eastern Christmas Fern. Evergreen dagger-like fronds. 12 - 18 in.  
**Plumosum Compactum.** A very beautiful fern with lacy plume-like fronds of pale green. Attractive in the garden or as a house plant. Probably tender in the east. 50c - \$1.00.

**STRUTHIOPTERIS Nodulosa.** Ostrich Plume Fern. Large fronds growing in a circle from the crown. Showy and easy. 4 ft. 35 - 50c.

**SIBERIAN IRISES**

**BAXTERI.** S., deep violet purple; F., white veined violet. 35c.  
**BOB WHITE.** Milk white flowers with lemon throat. 50c.  
**DUCHESS OF YORK.** Large deep blue with broad circular falls.  
**OLDTOWN SEEDLING.** Light blue with broad flaring standards. 50c.  
**PERIWINKLE.** Fine large flower of heavy texture. Unique blue shade. 50c.

**DWARF IRISES**

**BLUE JADE.** Medium blue toned self. 50c.  
**BLUE WAIF.** A fine blue. 50c.  
**GORGEIOUS.** Purest white self. 35c.  
**LADDY BOY.** Deep blue purple. 75c.  
**LA TULIPE.** Medium yellow with pointed segments. 50c.  
**MIGNONETTE.** White tinted pinkish mauve.  
**MISS H. M. WHITE.** Pleasing blend of tan and lavender. 35c.  
**SEROPHALETTE.** F., white; S., reddish white to cream.  
**SOLIEL DE LEVANT.** Fine dark yellow.  
**SRINEGAR.** Deep violet purple.  
**THISBE.** Soft dainty blue.  
**URCHIN.** Fine yellow.

**IMPORTANT**
